

Fundraising for the Digital Marquee at Greenman Elementary School

To date we have raised \$4,695.00 of our \$12,000 goal for a Digital Marquee. This will replace our old marquee at the corner of Lancaster Avenue and Galena Boulevard.

The money raised from the following events have gone towards this goal:

Popcorn Sales
Dick's Mini Donut Sales
Bingo Night
Family Reading Night

The Cookie Dough fundraiser and Chuck E Cheese night will also go towards funding the marquee.

Our hope is to be able to purchase the new marquee by the end of the 2019-2020 school year.

THANK YOU: parents, students, staff, PTO, Parent Mentors, Family Focus and all the volunteers from Greenman Elementary School for your help in reaching this goal!

Be sure to watch our money tacker grow! This is located on the wall just inside the lobby doors!
