Quarter 4 Food Distribution Update

Beginning Monday, April 12th, SD129 will be consolidating the number of food distribution sites to two locations. Reducing the number of sites allows for our food service staff to supervise lunch inside the buildings now that there will be an increase in student attendance each day.

The following food distribution sites will remain open **Monday-Friday from 11 AM - 2 PM:**

**McCleery Elementary School
West Aurora High School**

In addition to receiving free lunch, students attending school in-person will also have daily access to meal packets which include breakfast and supper to take home.

If you are not attending in person and cannot visit one of those sites, please contact Dina Voice at davoice@sd129.org for assistance.
